(SELECTED) CURRENT PROJECTS

G. Ahlfeldt, I. Mulalic, S. Redding, D. Sturm: The dynamics of the internal structure of cities
G. Ahlfeldt, W. Dauth, S. Fuchs, P. Haller, S. Heblich: The intensive and extensive margin of transport improvements in the spatial general equilibrium
G. Ahlfeldt, T. Albers, K. Behrens: A granular spatial model
G. Ahlfeldt, N. Szumilo, J. Tripathy: The consumption channel in mortgage demand
G. Ahlfeldt, E. Pietrostefani: The economics of architecture: A synthesis

POLICY IMPACT

2026-07-21, Sweden: Selected Issues — Spatial Misallocation and Labor Productivity. IMF. Staff analysis citing The economic effects of density (2019) and The economics of density (2015) on agglomeration, housing and commuting reforms (footnote 2; paragraph 16).

2025-11, Making European Reforms a Success on the Ground, IMF Note 25/005. IMF. Staff analysis citing The economic effects of density (2019) and The economics of density (2015) on agglomeration benefits (p. 7, fn. 7).

2025-05-26, OECD Economic Surveys: Canada 2025 — Improving housing affordability. OECD. Cites Demystifying compact urban growth (2018) on densification and zoning reform (section 2.3.2).

2023-10-02, OECD Regional Outlook 2023 — Twenty years of regional inequalities: Trends in OECD countries. OECD. Cites The economic effects of density (2019) on density, growth and distribution (chapter 2).

2023-03-31, Agglomeration and transport appraisal: New developments and research directions. UK Department for Transport. Uses The economic effects of density (2019) and The economics of density (2015) to assess agglomeration benefits in transport appraisal (section 2.8, pp. 18–21).

2022-07-31, Boosting African cities' resilience to climate change: The role of green spaces. OECD/Sahel and West Africa Club. Cites Demystifying compact urban growth (2018) on urban form, sprawl and emissions (p. 16).

2022-06, Luxembourg: Selected Issues — Digitalization and Rising Inequality in the Labor Market. IMF. Staff background research using the preference specification from The economics of density (2015) in a labour-market model (Box 1, p. 31).

2020-11, Response to the Open Communications consultation. Virgin Media. Industry submission to Ofcom citing Speed 2.0 (2014 working paper) on broadband consumer surplus (p. 4, fn. 8).

2019-06-24, OECD Economic Surveys: New Zealand 2019 — Improving well-being through better housing policy. OECD. Cites Demystifying compact urban growth (2018) on compact development and housing policy (chapter 3).

2018-05-19, Divided Cities: Understanding Intra-urban Inequalities. OECD. Cites the 2017 density synthesis and compact-city literature review on city size and income segregation (chapter 2, p. 36).

2012-07-04, Report on Safeguarding Northern Ireland's Listed Buildings. Northern Ireland Assembly, Public Accounts Committee. Supporting evidence cites Substitutability and complementarity of urban amenities (2010) on heritage and property values (Appendix 3, Annex 4).

2011, High Speed Rail: Written evidence HSR 121. Association of North East Councils. Council evidence to the House of Commons Transport Committee citing From Periphery to Core (2010) on high-speed rail and regional growth (paragraph 39, fn. 25).
